

Tentative schedule for 2023-2024

March 23rd we will host Keith Lambert, deputy director of the Construction Codes division and he'll have an open Q and A session with us.

Then in May, we hope to have Scott Cope present a class on Building Division Management: 2hrs Admin and 2hrs Communication

July's program is tbd..

In October we will have another 6 hour session with Doug Thornburg from the ICC.

In December a new program on Electronic Plan Review should be ready.

We are charging a fee for the 6 hour classes, but \$20 less for members than for non-members.
